Video: How to apply <cash payment or fee exempt>

STEP 1

Document Preparation

Please see the Check List >>

STEP 2

Information Entry

Enter the information required for the online VISA application and upload the necessary documents.

If your application is incomplete, we will cancel it without processing it. Once the application has been cancelled, you may make a new application and submit it again. Entering incorrect information and/or inadequately uploading the required documents could lead to a delay in assessment, or even cancellation of your eVISA application, which may affect your travel plans.

Visa processing normally takes at least **5 working days** counting from the working day after the application is submitted. Please note that if any documents are missing/insufficient, processing will be delayed until this is rectified.

STEP 3

Notification of result

The result of your visa application as well as any payment instructions will be sent to your registered e-mail address.

Step 4

Visa fee payment (where applicable)

If applicable, please register your credit/debit card details on the designated website. Payment will be taken later, once the eVISA is issued. Payment may also be made in cash at the Embassy of Japan in London ([appointment required](#)).

Step 5

eVISA issuance

- ◆ Applications which incur a fee: once payment card details have been verified, the eVISA will be issued and payment will be taken.
- ◆ Applications which do not incur a fee: the eVISA will be issued after STEP 3.

Make an application

Please prepare all the required documents before you login and start your application.

If you have booked an appointment to apply for a visa in person at the Embassy, please cancel that appointment by emailing the date, time and appointment ID number to cancelvisa@ld.mofa.go.jp
