

文部科学省 国費留学

Study in Japan

Postgraduate Programme
for UK Nationals

**The Ministry of Education, Culture, Sports,
Science and Technology of Japan (MEXT)
offers scholarships to international students
who wish to study at Japanese universities.**

This postgraduate programme is:

- For a minimum period of 18 months
- For UK graduates who want to pursue independent research or enrol on a degree course in Japan
- To study any subject as long as it is relevant to your expertise or field of previous study
- Not dependent on Japanese language ability (except for certain courses)

Benefits

- University tuition fees paid
- Six months of Japanese language tuition if required
- Monthly allowance and return airfare to Japan
- Student visa

Eligibility

All applicants must:

- Be a UK citizen and hold a UK passport
- Be under 35 years
- Be a graduate, or due to graduate before they depart for Japan

Application

Opens every April. Visit the website to see the guidelines and download documents.
